

FOUNTAIN OF YOUTH STAKES CONTENDERS

DRAIN THE CLOCK

PRO: Dominant sprinter of the local class draws inside and will take some catching.

CON: Lone two-turn try inconclusive as he lost rider early on.

PRIME FACTOR

PRO: Barn remains optimistic about his potential despite late retreat in the Holy Bull.

CON: Lack of seasoning showed last time; has ground to make up on the top two.

SOSUBTLE

PRO: Improved significantly second out moving to dirt and adding Lasix.

CON: Class hike from Florida-bred maiden to a Grade 2 is rather stiff.

FIRE AT WILL

PRO: Multi-surface talent was an exceptional juvenile when pulling multiple surprises.

CON: Lone dirt victory was in the slop against just three rivals.

JIRAFALES

PRO: Finished mid-pack in the Holy Bull and could improve some second off the layoff.

CON: Seemingly lacks the requisite class and barn has been cold this meet.

KING'S OVATION

PRO: Swale runner-up could take a step forward stretching out; recent bullet 5f work.

CON: Has blown hot and cold in four starts and needs to quicken significantly.

TARANTINO

PRO: Pressed a solid pace in Holy Bull and held well to be second best in dirt bow.

CON: Despite placing last out, might still prove a better turf horse.

GREATEST HONOUR

PRO: Has turned into a different horse around two turns; much the best in Holy Bull.

CON: The possibility of a slower pace here could blunt his late kick.

TIZ TACT TOE

PRO: Gelded since last run and adds blinkers.

CON: Quite an ambitious placement for a maiden that has never placed.

PAPETU

PRO: Mucho Macho Man run relatively solid and noticeably below best in Holy Bull.

CON: Has a visible ceiling having been well beaten in all three graded attempts.
